

Safety data sheet

Tarcomastiks

1. Identification of the substance/preparation and of the company/undertaking

Prepared on: 20.06.2008

Manufacturer/importer/distributor:

LeverandørGjerlev a/s
Fuglebakken 12, Strib
5500 Middelfart

Tlf: +45 40166606

E-mail: info@gjerlev.as**Kontaktperson/nødtelefon:**

Tlf: +45 40166606

Nødtelefonen er åben
8-16

2. Hazards identification

Additional information:

Marking of this product is not required.

3. Composition/information on ingredients

Einecs No.	CAS No.	Designation	Classification	w/w%
	8052-42-4	Bitumen		90-96
	9003-55-8	Styrene-Butadiene-Styrene Block Copolymer		4-10

Please see item 16 for the wording of R-phrases

4. First aid measures

By inhalation:

Irritation of air passage: Seek fresh air.

By ingestion:

COLD PRODUCT: Obtain medical attention if symptoms occur.

HOT PRODUCT: Not likely due to high temperature.

By skin contact:

Wash contaminated skin with cleaning fluid and rinse with soap and water. Rub skin with moisturizing skin lotion.

By eye contact:

Rinse with water for at least 10 minutes Seek medical advise immediately and continue rinsing until doctor takes over treatment.

By burns:

Rinse with water until pain stops. Remove clothes which do not adhere to the body - seek medical advise; if possible continue rinsing until doctor takes over treatment.

5. Fire-fighting measures

Extinguish with powder, foam, carbon dioxide or water mist. Do not use water spray, as it may spread the fire. Use water or water mist to cool non-ignited stock. Remove containers from the danger area if this is possible without risk. Do not inhale vapours and flue gasses - seek fresh air.

6 . A c c i d e n t a l r e l e a s e m e a s u r e s

Collect spill with sand or other absorbent material and place in suitable waste containers. For information on disposal please see item 13. Do not discharge spills into drains and/or surface water. Use the same personal protection as for item 8.

7. Handling and storage**Handling:**

Please see item 8 for information on personal protection.

Storage:

There are no special store requirements but the product should be stored safely, out of reach of children and not together with food, animal feeding stuff, medicines etc.

When used it is heated to 140 - 180 °C

8. Exposure controls/ personal protection**Design of technical systems:**

Work must be done with effective mechanical ventilation (e.g. extractor fan).

Respiratory protection:

Not required when used with effective ventilation.

Hand and body protection:

Wear protective gloves of nitrile rubber.

Eye protection:

Wear eye protection on risk of splashes in eyes.

Occupational exposure limits:

Substance	Exposure limit	Remarks
Bitumes fumes	1 mg/m ³	

(EH40/2001 Occupational Exposure Limits 2001)

Control methods:

The exposure limits stated can be checked through occupational hygiene measurements.

9. Physical and chemical properties

Appearance at 25 °C: Solid
 Odour: Characteristic
 Boiling point: 400-600 °C
 Relative density: app. 1000 kg/m³

Solubility in water: insoluble
 Flash point: >220 °C
 Flammability:
 Autoflammability: >300 °C

10. Stability and reactivity

The product is stable if used in accordance with supplier's instructions. Reacts with strong oxidizing agents.

11. Toxicological information

Immediate effects

Inhalation:

Inhalation of fumes from warm product may lead to a slight irritation of the upper respiratory tract.

Ingestion:

Not relevant

Skin contact:

Risk of thermal burns

Eye contact:

The fumes may irritate the eye.

Long-term effects

None known

12. Ecological information

Ecological information for the product

Avoid discharge into drains or surface water.

13. Disposal considerations

Collect spills and waste in closed and sealed containers and send to the local disposal facility for chemical waste.

14. Transport information

The product is not comprised by the rules of dangerous goods.

15. Regulatory information

<p>Hazard designation:</p> <p>Danger symbols:</p> <p>Containing: It has been evaluated that the product does not have to be classified.</p> <p>R-phrases: ()</p> <p>S-phrases: ()</p> <p>Other information:</p>

16 Other information

<p>Training advise: No special training is necessary but a thorough knowledge of this safety data sheet is assumed.</p>
